### Food Truck Events:

- Food truck events are based on a per person pricing structure, guest count must be given 1.5 weeks prior to the event date along with full payment
- The truck will be prepared to serve 15-20 more guests than the count given
- It is one meal per person and each meal served will be tallied. At the end, if we do serve more than the initial count given, the client will be billed for that remaining portion
- The truck will stay to serve 1.5-2 hours
- Clients will choose a menu that will be displayed for guests to view on site
